X Country is on the UK's Red countries list. Travellers who have been in or transited through a country on the red countries list in the last 10 days will not be granted access to the UK. This does not include British and Irish Nationals, or third country nationals with residence rights in the UK, who will be able to enter the UK but must quarantine in a government approved hotel for 10 days. You cannot use the Test to Release scheme.

If the county is not on the UK's red list, travellers do not need to self-isolate when returning to England but must take a Covid-19 test on day 2 of their return to England.
